

An Australian
Family Owned
Business

**Farewell
and
Thank You**

After nearly 30 years of operating Colourful Labels
Leon and Roz are going to retire.

We both have had health issues in the last 12 months
and being well past retirement age we are finding it harder to do
what a few years ago was easy.

We have been unable to find a buyer for our business and we will
be closing at the end of December.

We would both like to say a BIG thank you to all our wonderful
customers.

Many of you have become very good friends and we thank you all
for your support over the many years we have been in operation.

Over the years we have seen many changes and one of the most
difficult has been Australia Post with the pricing of posting mail.
The increased use of the internet has seen an impact as well.

Roz and Leon would like to thank you all for being part of our
lives for so long and it is with a
heavy heart that we have had to make this decision.

We both wish you all well and good health.

... Leon and Roz.
